

## Ligon PTA: Complete One Page. Write One Check.

### ✓ Join

**PTA memberships** are \$7 per person. These dues make you a card-carrying member of the Ligon PTA, NC PTA and the National PTA for the 2011-12 school year. It is that simple. Our goal is to have 100% of Ligon teachers and parents join.

### ✓ Donate

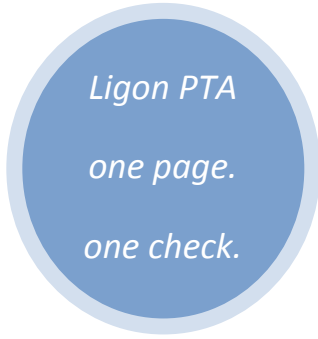

Give generously to our **Phantom Fundraiser**. We try to raise what our school needs. No more. No less. Our Phantom goal for 2011-12 is \$20,000. **Ligon PTA does NOT sell items** to raise funds, so please do not confuse us with fundraising by other groups at school.

**What does Ligon PTA do with the money we raise?** Our programs support students, teachers, staff and parents. We supplement classroom supplies, pay for staff development, and provide lots of the extras that help make Ligon a special place to learn. Past projects include the purchase of archery and fencing equipment for electives. We organize teacher and staff appreciation events so that everyone in this very busy place is recognized. We recently revamped the teachers' lounge. We provide hospitality to visitors as well as the school community and oversee the school communications you depend on to stay connected. This year we are focused on addressing unmet technology needs at our school. These are just a few examples.

### ✓ Volunteer

Of course we hope that you will want to. There are a million ways to help: from chairing a committee to simply linking your shopper cards. Every contribution is appreciated as a gift to our community. On the back of this page you can indicate events or tasks that interest you. By completing the form, you will receive emails periodically to alert you to volunteer opportunities that match your interests. While volunteering at school or coming to meetings is a great way for parents to get to know each other, there is absolutely no requirement that you volunteer or attend meetings to be a part of PTA.
